

PRE-QUALIFYING REQUIREMENTS:

These pre-qualifying requirements(PQR) shall prevail over the pre qualifying conditions mentioned in instructions to tenderers or anywhere in the tender document.

1. Manufacturer :-

The tenderers shall themselves be manufacturers of the jointing kits.

2. Turn Over :

The Bidder should have a minimum average annual turnover (MAAT) of Rs. 50 Crores per annum for best three financial years out of last five financial years. The CA certificate with UDIN and audited balance sheet shall be enclosed in support of above, failing which the bid may not be considered.

3. Operational Experiences:

The firm must have supplied 11 KV/33 KV or both heat shrinkable jointing kits to government/government undertaking/ power utilities directly or through EPC contractor and should have given three year proven trouble free operational service in tropical climate prevailing in India.

4 Manufacturing experience: The indigenous manufacturer must have manufactured at least. 50% of the total tendered quantities of 11 KV/33 KV or both heat shrinkable jointing kits during last seven calendar years. The manufacturing experience of only last seven Calendars Years (**year 2017, year 2018, year 2019, years 2020, Year 2021, Year 2022 & Year 2023**) shall be considered for eligibility of tenderer. The firm shall have to submit the details of manufacturing during last seven Calendars Years in following proforma:-

Table- PE

Year	Complete postal address including designation of authority placing order	Order no. & date For 11/33 kv heat shrinkable jointing kits	Size of 11/33 kv heat shrinkable jointing kits	Quantity Ordered (Nos.)	No of 11/33 kv heat shrinkable jointing kits supplied during the year	Balance quantity to be supplied against orders in hands
1	2	3	4	5	6	7
Calendar Year 2017						
Calendar Year 2018						
Calendar Year 2019						
Calendar Year 2020						
Calendar Year 2021						
Calendar Year 2022						
Calendar Year 2023						

The tenderer shall have to submit self-attested copies of purchase orders & dispatch instructions to substantiate the above details failing which their bid may not be considered. If tenderer does not submit the proforma & only encloses the copies of purchase orders & dispatch instructions, then their bid may not be considered.

6. Minimum quantity to be quoted :-30% of the tendered quantity of each item.

7. Testing Facilities:

The tenderer must have all necessary facilities at their works for carrying out such routine and acceptance tests as prescribed in the relevant ISS and any other routine and acceptance test as specified in the specification. Documentary evidence of existence of such facilities will be filed along with the tender.

8 Type Test:

The firm should have type test reports of the offered items as per GTP /relevant ISS/Technical specification during the last 5-year period issued from CPRI/ERDA/NTH laboratory.

All statements and claims regarding turnover, operational and manufacturing experience and production capacity should be duly supported by authenticated copies of documents without which the tender is liable to be rejected summarily. PVVNL may call the tenderer to produce original purchase order/dispatch instruction or any other document for verification of submitted documents during the evaluation of their bid. The bidder is also required to submit an affidavit on stamp paper regarding the firm not being blacklisted by any government utility anywhere in India. If any information provided by the bidder is found to be concealed, suppressed or incorrect at the later date, may lead to not only the cancellation of purchase order, if placed by on the tenderer, along with imposition of financial penalty and business debarment.

Note: If the firm is qualifying all the prequalifying criteria and participating first time for tendered item or have not supplied similar item in UPPCL, the factory inspection may be carried out for certain parameters as manufacturing/ operational experience /production capacity, financial capabilities and certain NOC from competent authority as: for security clearance for fire and accidents and other regulatory requirements. If the firm do not meet out the required criteria for factory inspection , the bid of the firm shall not be considered for further evaluation.

PVVNL reserves the right to waive minor deviation if they do not materially affect the capability of the applicant to perform the contract.
